OCMA/VALLEY POOL LEAGUE TOURNAMENT RULES & REGULATIONS*

ELIGIBILITY

Charterholder: Only operators who qualify under the definition of amusement machine operators adopted by the Code of Regulations and By Laws of the Ohio Coin Machine Association may apply to participate in the OCMA/Valley Pool League Tournament. They must hold a valid charter issued by the VNEA, be an operator member of OCMA **and** hold a valid charter issued by the OCMA/Valley Pool League Tournament.

Player: Only players composed of 8-Ball pool leagues participating in OCMA operator-formed leagues, competing on equipment owned and operated by member operators will be eligible to compete in the state tournament. All players must be sanctioned by the VNEA and comply with all OCMA/VNEA eligibility requirements.

LEAGUE FORMAT/ORGANIZATION

Organization will be 8-Ball Leagues. The game may be played in the following types of leagues:

Open League (A & AA Divisions) - may consist of men and/or women players (5-person teams). A league must consist of a minimum of four teams.

Women's League (A & AA Divisions) – may consist of women only (no men are allowed on a women's roster if they plan on competing in the women's division at the State Tournament); and (4-person teams). (A women's team that competes in an open league MAY compete in EITHER the Open or Women's Division at the State Tournament. A women's team that competes in a women's league MAY compete in EITHER the Open or Women's Divisions at the State Tournament.) A league must consist of a minimum of four teams.

The format of the games will be league play. Each member operator will be responsible for organizing a league or leagues of players and conducting an agreed upon league schedule for a minimum of 12 weeks.

A league must be organized on tables owned and operated by that Charterholder and must have a separate schedule from any other league system. A Charterholder may organize a league and schedule matches on another operator's/charterholder's equipment, if both charterholders agree. Shared leagues are permitted. All games on a charterholder's schedule must be played on tables owned and operated by an OCMA charterholder – not on any “location owned” tables or tables “leased” exclusively during league play.

Each league shall operate and compete under the Rules and By-laws and Constitution of the Valley National 8-Ball League Association and the OCMA/Valley Pool League Tournament.

Each Charterholder league shall operate within the framework of the Organization and as an independent unit and MAY use the following as guidelines:

- a) Elect their own officers (president, vice president, secretary-treasurer)
- b) Establish prize fund amounts and distribution method.
- c) Establish length of schedule (minimum 12 weeks).
- d) Establish special rules confined to their own participation.
- e) Establish holiday layoffs if desired.
- f) Determine the number of teams and restrictions based on the nature of players.
- g) Settle or arbitrate any protests arising from National or Local Rule infractions during a regularly scheduled league match.
- h) Establish all league award categories and recognitions.
- i) Administer the collection, safe-guarding and distribution of all their league funds.

The charterholder shall be responsible for maintaining its own records and standings throughout the competitive schedule.

FEES

The OCMA/Valley Pool League Tournament Charter fee is \$150 annually. Each charterholder shall also pay a \$15.00 franchise-team fee per team, per session, to the OCMA/Valley Pool League Tournament.
