

2021/2022 BELL MUSIC POOL LEAGUES - SUPPLEMENTAL RULES
(to be used in addition to VNEA Rulebook.)

WEDNESDAY MIXED

LEAGUE PLAY

All matches start at 7:00pm real-time, not bar-time. There is a 15 minute grace period. A player has until the end of the 1st round to show up and play all their games. If a player shows up in the 2nd round, as long as their game has not been passed, they can play that game but not make up the first round.

BELL MUSIC FEES

The WEEKLY FEES are \$10 per player so \$40 is due from each team each week. Full team weekly dues must be submitted and is due within 48 hrs of the start time of your match. Partial payments will be treated as late payments. Teams must pay league dues for BYE weeks and any match that is a forfeit.

Payment of league dues will be made electronically via PayPal or emailed invoice. - See separate document in your team packet for complete details and instructions. Each team is only responsible for handling their team's fees. You do not have to handle the other team's money.

KEEPING SCORE

This year we are utilizing the Electronic Scoring feature in CompuSport. ***You will not be turning in pictures of scoresheets anymore.*** Scores will be entered by you as you play your match. (I have provided each team with 5 scoresheets if you want to keep score on paper as you enter them into CompuSport but it's not necessary, nor will hard copies be submitted to Bell Music.)

Detailed instructions on how to keep score using CompuSport are in your team packet. Many of you are already familiar with it if you played at the OCMA State Tournament in August. I have it set up so every player on the team can be a scorekeeper, not just the team captain. You can enter the scores on your phone or from a pc (www.compusport.us).

SANCTION FEES

Each player must pay a \$20 sanction fee. Sanction fees are due by November 1, 2021. If paid after Nov. 1st, the cost goes up to \$25. If a player does not pay their sanction fee, the team they played on FIRST will be charged \$30.

ADDITIONAL BELL MUSIC RULES

- 1) Any team not finishing the session will forfeit all prize money. All players on a team that quits are ineligible to play on any other team the remainder of the season.
- 2) Teams that are in leagues that have BYE weeks still owe the full league dues for that week. Fill out the scoresheet on CompuSport with your players names and give them 10's for each game.
- 3) If there is a tie at the end of a round, the team with the most wins that round gets the point. If the wins are also tied, the point is split.

- 4) 8-on-the-Break is an automatic 10-0 win for the player breaking. Make sure to mark any 80B's & ERO's on the scoresheet. (You do not need to mark 10-0's...they are automatically scored.)
- 5) Team captains are responsible for making sure scores are properly entered into CompuSport. After a team submits the scores, the opposing team will need to approve the scores for them to be immediately posted.
- 6) No new subs or players the last 4 weeks of the season; in order for a player to play on your team the last 4 weeks, they must have played on your team at least 1 week already. Subs may play on any team they wish until they have played on the same team 9 times; they are then locked into that team.
- 7) If a player needs to leave early (work, sick, emergency) the opposing captain will let that player play out. If this occurs, try to play a game in between each of their games, if possible. You can not put another player in that spot. Only players that start the match may finish the match..
- 8) There is no coaching allowed.
- 9) The most current news and information for the leagues will be posted on our website: www.bellmusicco.com. I will also use CompuSport to post updates and you can view your standings, schedules, etc. there as well.
- 10) Any team and/or player who has an **urgent** question or problem during league play can call Bell Music at (330) 253-9171. A message must be left in the pool department mailbox (Option 3) so I can return your call. Please only call if you've looked in your rulebook and can't find the answer or you've tried to resolve the issue amongst yourselves and can't find a solution.

I'm looking forward to a great season.

Don't hesitate to contact me if you have any questions.
