REVERSE HANDICAPPED LEAGUES - There are no player restrictions in any of the reverse handicapped leagues; any player or combination of players can play in these leagues: Saturday Singles, Saturday Doubles, Monday Team, Tuesday Doubles, Wednesday Triples & Thursday Doubles. They are all REVERSE HANDICAPPED meaning the player with the lowest PPD average starts the game at 301/501. The other player(s) starting scores are higher than 301/501.

Players new to Bell Music: If you played for any another dart league (steel or soft), please contact Mary at 330-253-9171 to be assigned your starting averages. Brand new men will be assigned starting averages of 19.0 PPD & 1.9 MPR. Brand new women will be assigned starting averages of 14.0 PPD & 1.4 MPR.

POINT CAP LEAGUES - For leagues with a Point Cap (the non-handicapped leagues), use your Bell Music Player Rankings to determine what league you fit in. The combined total of the players on the team can not be higher than the point cap for that league.

Players not listed in the Bell Music Player Rankings - If you played for any another dart league (steel or soft), please contact Mary at 330-253-9171 to be assigned a ranking. If you have never played in any dart league before, (most) men start as a 4 and (most) women start as a 1.
